**MEMO**

May it please your Lordship,

In the above-mentioned matter, it is respectfully submitted that after filing of the above Writ Petition, we got some essential information such as 'Recommendations and suggestions on Dowry Prohibition Act 1961' issued by the National Commission for Women in 2014 and decision of the Women and Child Development Ministry, to drop the amendment proposed by National Commission for Women in the present form after taking into account of the comments of the High Level Committee on the Status of Women and Ministry of Home Affairs.

We also got the Crime in India report from National Crime Records Bureau 2020 released on ncrb.gov.in website on 15-09-2021, which are very much essential for the better adjudication of the issue involved in the above Writ Petition.

URLs of the above information are given below for quick perusal:
